

C-team Challenge!

September 2022

The C-team Challenge was created to help C-team members have a consistent quiet time with the Lord each day. Bible reading and pray help us grow in our relationship with Christ.

Doing the C-team Challenge consists of reading Bible verses given for the day, thinking about the question and praying for the C-teamers listed on the calendar. After doing these three things, an X may be put in the square for that day.

If a day is missed it can be made up any time and then a / may be put through that square for the day.

Complete the C-team Challenge months may be used for money off the next C-team retreat. If five or more days have only a / and not an X then half credit will be given. Whole months may be made up.

God bless you as you take the C-team Challenge!
