

## SMALL GROUP QUESTIONS

- How have you viewed the word “doctrine” as a believer? How has today’s sermon changed or altered your understanding of doctrine in the Christian life?
- Explain the relationship between right doctrine (orthodoxy) and right living (orthopraxy)? Why can we not have one without the other?
- Why is 1 Tim 4:10 (“To this end we toil and strive, because we have our hope set on the living God, who is the Savior of all people, especially of those who believe.”) critical to understanding the sermon on vv. 11-16 that follow?
- What is one way you might commit to changing a way you speak, act, or think as a result of something you’ve recently learned in Scripture from the Lord?

## FAMILY QUESTIONS

- What does “doctrine” mean and why is it important that the Church has biblical doctrine?
- “Doctrine is just for pastors and elders.” Do you agree with this statement? Why or why not?
- How might right teaching from the bible and right living by people in the church influence how someone might come to faith in Christ?
