

No Water! (Exodus 17:1-7)

SMALL GROUP QUESTIONS

- The average adult will survive just 3 days in the desert without water. Is this a fact that God is aware of? What did the people of Israel need to believe about God to respond so fearfully in this situation?
- Has there ever been a situation in your life where you did not have something you needed to survive? What did you think about God in that situation? How did you respond to it? How do you think you might respond in a situation like this and why?
- How does Moses respond to the frustration of the people? How do you respond to frustrated people?
- When presented with the issue of a lack of water, how does God respond?
- How has God been faithful to provide in your own life? How has He provided for you?
- Imagine a group of people with a deep trust in God. How do you believe they would have navigated the challenges the Israelites faced in the desert?

SCRIPTURE MEMORY

But do not overlook this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day. The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance. But the day of the Lord will come like a thief, and then the heavens will pass away with a roar, and the heavenly bodies will be burned up and dissolved, and the earth and the works that are done on it will be exposed.

2 Peter 3:8-10 (ESV)
