## NEW KINGDOM STRATEGY – INFLUENCE AND INVADE MATTHEW 5:13-16

### FOR FURTHER STUDY

- What are some ways that your “salt” may have “lost its taste” in this world of decay over the years? How has your understanding of “salt” shifted as a result of Keith’s sermon?
- Matt 5:14 says “A city on a hill cannot be hidden” (notice: not should not or may not). Your life is always communicating something to a world shrouded in darkness. Share with your group what your light has looked like this past week/month/season.
- What are some ways (outside of the workplace) that you can develop or strengthen your relationships with “the world/others” from vv. 14, 16?
- Is being a “light to the world” merely sharing the gospel? How do our “good works” (v. 16) factor into this?
- Tell about one way you responded differently this week as a result of this teaching. How has your life been transformed by God’s Word this week?

## NEW KINGDOM LIVING

JESUS' LIFE IN OURS

### DISCUSSION QUESTIONS

- What is one way that you can be a light in a dark world this week?
- Why does Jesus talk about new kingdom people as “salt” and “light”? Why did he use these terms?
- What is one way that you (as a family) can strengthen your relationships to “the world/others”?
