

SMALL GROUP QUESTIONS

- On a scale of 1-10 (1 being non-existent, 10 being excellent), rank your own prayer life, be it personally or corporately. Why did you assign yourself that number and what did today's message reveal to you about prayer?
- How does a right understanding of God influence your prayer life (or how should it influence it)?
- What does centering your prayer life upon the person and work of Jesus look like practically as you develop this aspect of your walk with the Lord?
- We typically focus on prayer as an individual discipline between you and the Lord. How can prayer, though, help revive gospel-centered community in our church?

FAMILY QUESTIONS

- One of the marks of a healthy church is a healthy prayer life. Commit this week to praying for 10 minutes together as a family. Have as many people in the family participate as possible.
- When you pray to God (the Father), what images come into your head? How does this influence what or how you pray?
- Pastor Keith said that prayer ultimately rests on the person and work of Jesus. What did he mean, and how might this change how you pray going forward?
