

WHAT DOES BAPTISM MEAN? ROMANS 5:20-6:4

SMALL GROUP QUESTIONS

- Have you been baptized as a born-again believer? If so, what did that event mean to you then? What does it mean to you now?
- What does it mean to be baptized “into Christ Jesus” as well as being baptized into his death (6:3)?
- How are we to understand Paul’s question in v. 2: “How can we who died to sin still live in it?” How do you live in the tension between knowing that you still sin and, at the same time, being dead to sin?
- The sense of “walk” in newness of life (v. 4) is not a once-for-all command but an admonition to, in a sense, “be constantly called upon to change or live in a different way.” If that is the case, then, what is one practical way that you (personally) can “walk in newness of life” this week ?

NEW KINGDOM LIVING

JESUS' LIFE IN OURS

FAMILY QUESTIONS

- We talked about baptism this week at church, and you may have even watched some people get baptized. What does baptism mean or represent, especially when a person goes under the water and then comes back up out of the water? Have you been baptized? Why or why not?
- Why is it important that Jesus himself was baptized while he was on earth?
- Why should everyone who has put their faith in the Lord Jesus as their Savior be baptized? Why do you think the church has been doing this for thousands of years since Jesus was resurrected?
